Story starters

Cut out the cards, let your child pick one, and press record. Any story they tell is the right one.

STORY STARTER

What's Grandpa's secret superpower?

Little Bestseller

STORY STARTER

What does our dog do when we're not home?

Little Bestseller

STORY STARTER

Tell me about the day you and Grandma went to the moon.

Little Bestseller

STORY STARTER

What would happen if Mom shrank to the size of a bug?

Little Bestseller

STORY STARTER

What happens at Grandma's house after you go to bed?

Little Bestseller

STORY STARTER

Who lives in our backyard that nobody knows about?

Little Bestseller

STORY STARTER

What would happen if Dad turned into a dinosaur for a day?

Little Bestseller

STORY STARTER

Tell me about the giant pancake that rolled out of our kitchen.

Little Bestseller

How to record a great story

Find a quiet spot.
Turn off the TV and anything that hums.

Hold the phone close.
About a foot from their mouth is perfect.

Let them wander.
Detours and silly bits are part of the story.

Don't correct them.
Their words are the book. We tidy the ums.

Stuck? Ask one question.
“What happened next?” is all it takes.
